GRANTS AND CONTRACTS

As Principal Investigator

PI, Sponsor: International Olympic Committee (IOC), Lausanne, Switzerland

Date submitted: 12 April 2021

Title: A systematic overview of Olympic venues from 1896-2018

Details: We were invited by the IOC to review a subset of two databases that cover every Olympic Games of the modern era in order to develop a proposal for a systematic data analysis of the legacy performance (including OPEX and CAPEX) of some 1000 venues across 14 building types. This was a closed bid process—my research group was one of three invited to participate.

\$1,750,000.00

Outcome: Funding cycle deferred to spring 2023.
